Steve Buckles New Mexico camp:

Maybe we should have a what's in your vest meeting.

I don't think my vest looks nearly this neat or organized.

Message from the Pres:

Well' I believe that fall maybe just around the corner. The temperatures have begun to drop and some leaves are turning. I hope that some folks got into fishing some this summer as I did. It was a great trip to New Mexico.

If you have ideas for club programs, be sure to drop me a line. I know we had a lot of good ideas at the last meeting, and I have contacted the folks about the Moffitt system and will be presenting that at the next meeting. If you know someone that has not been coming please call then and encourage them to come.
