Fly Tiers Corner

Fly tiers are meeting on Monday nights at the Russellville Airport. We are now doing more of a fly tying class style meeting for the new comers.

CADDIS Meeting August

The meeting was held and, if I'm correct, there were six members and two guests (wives). The minutes were ready and approved and the Treasures report was presented. Everyone ate and had a good time.

We had planned to have a guest in September but at this time he probably will not be here.

Please remember the National Lands Day at Old Post Park on September the 24th, we need your help.

Message from the President:

They finally opened up the National and State Parks in New Mexico. Mark at Dos Amigos Angler said it was as if people were setting on the border waiting, as the parks filled up immediately.

I arrived in NM on Friday and started my plans, Saturday morning began the trip to Lyons, CO., for the Colorado Cane Conclave. The trip was awesome but the fire damage was very apparent. Going from 450' above sea level to 8,000+ can bring a change in your body.

Checked in at Lyons around 3:00PM then began to search for the Planet Bluegrass Fair Grounds. That afternoon hooked up with my grandson and his wife for dinner in Fort Collins.

Next morning went to the conclave and met with all the bamboo rod makes from everywhere, there was John Bradford, Mike Clark, Homer Jennings, Michael Sinclair, Doug Daniel, and many more. Had lunch with A.K. Best and got my book AK's Fly Box autographed. Fished the St Vrain river with no luck, too many people.

Did a lot of driving and fishing in Colorado and New Mexico, caught some greenback cutthroat, rio-grand cutthroat, rainbows and german brown trout.

My itinerary was:

August 7th Cane Conclave Fished the St. Vrain river skunked

August 8th Fished the Fall River in the Rocky Mountain Nat. Park landed tow nice greenbacks and miss many

August 9th Fished the Arkansas river at Canyon City no luck

August 10th Off day went to Red River with Denise

August 11th Fished the Rio Costilla caught a dozen or more cutthroats and missed many more. "Great day"

August 12th and 13th Fished the Cimarron River in the Carson National Forest again great fishing catching stocked rainbows and german browns, had trouble setting the hook but it again was an awesome two days.

Looking forward the going again.
